## EVENT DESCRIPTION:

Ethics in Life event has been organized by Department of humanities and science for the I year I Semester Students on 20<sup>th</sup> september, 2023. The Main objective of the event was to provide awareness to the students about the ethic in life ,Right understanding,Relationship and physical facilities for requiring and the fulfillment of aspirations of every human being with their correct priority.

More than 200 students of year I sem of ECE, CSE,CSE-AI of SVR Engineering College attended the event.

## SESSION ACTIVITIES:

DR.B.NARASIMHA RAO, Head of the department of humanities and sciences enlightened the students Ethics play a crucial role in our personal and professional lives, influencing how we treat others, make choices, and contribute to society. Ethics encompasses a set of principles and values that define what is considered morally right and wrong. These principles serve as a foundation for our decisions, actions, and interactions with others. Ethics play a pivotal role in our lives in several ways.

The resource person yugandhar who came from Gudur demonstrated the students regarding the Ethics in Life .This event was started at 11:30am .The total number of students attended for the event is 200 and it has held on 20<sup>th</sup> September 2023.

The objective of the event Ethics is not an abstract concept but a practical tool that empowers us to make morally sound decisions and lead a meaningful life. It provides the guidance we need to navigate the complexities of our personal and professional worlds. By embracing ethical principles such as honesty, integrity, fairness, and compassion, we not only enhance our own well-being but also contribute to the betterment of society. In a world faced with numerous

challenges, ethics serves as a beacon of hope, guiding us toward a future built on principles of justice, respect, and harmony.

DR.P. MALLIKARJUNA GARU principal of SVREC felicitation to the resource person
