VISION

To produce Competent Engineering Graduates & Managers with a strong base of Technical & Managerial Knowledge and the Complementary Skills needed to be Successful Professional Engineers & Managers.

MISSION

To fulfill the vision by imparting Quality Technical & Management Education to the Aspiring Students, by creating Effective Teaching/Learning Environment and providing State – of the – Art Infrastructure and Resources.

CORE VALUES

* Commitment to Continual Improvement
* Inclusiveness
* Enhancement of student learning through innovative instructional methods
* Collaboration with industry and other institutions for mutual benefits
* Pursuit of excellence in all activities

From the Managing Director Desk

Dear Readers,

 Education is a complete process that leads to the attainment of full potential of a student. In this era of highly competitive global markets, there should be a synergy between today's need and tomorrow's expectation. At SVREC we are dedicated to exhaustive quality learning and are utterly committed to a continuous process of improvement for the benefit of the students. The structure and delivery of the curriculum at faculty of management are contemporary and based on our continuous interactions with renowned educationists and

Mr. S. Dinesh Reddy
B.Tech., MBA (London)

industry professionals. My focus is to develop our students as global citizens with tolerance, respect and appreciation of diverse cultures and traditions for a life-time learning experience. The student should be self-motivated, Independent, confident decision maker to take a leadership role in the future.

This reminds me of a very meaningful quote by Albert Einstein- "

Education is not the learning of facts but the training of the mind to think."

From the Principal Desk

Dear Readers,

New Year - 2021 greetings to all of you!

It is indeed a pleasure for me to write a message to for this News Letter, INSIGHT.

The COVID -19 pandemic periods have been one of the toughest phases the world has seen. The COVID-19 situation brought almost everything to a standstill. Yet I am glad that we did not succumb to the situation and gave our best. Not just online teaching-learning but we

Dr.P. Mallikarjuna Reddy
M.Tech.,Ph.D

extended our support to society through community help. The institute gave its best in supporting students, whether it is teaching or projects. Final year placements are also successfully conducted through online mode. I appreciate the efforts made by placement cell and congratulate all the students who secured job in Multi-National Companies though campus placement. With a lot of webinars organized and attended, there was immense sharing of knowledge.

My message to students is never stop learning new things in life. The beautiful thing about learning is that no one can take it away from you.

Best wishes for healthy and prosperous New Year 2021………..

NATIONAL YOUTH DAY

The national youth day was conducted on 12-01-2020 at SVREC. The chief guest of the event was Mr. G.L.N. Prasad, HoD of zoology in a govt. college at Anantapur. During the interaction, an awareness of life skills was created amongst the students. Crisis management, resource management, event management, and time management techniques were also taught to the students. Interaction with the students was friendly and optimistic.

SANKRANTHI FESTIVAL

A session was held on 15.01.2020 at SVREC to commemorate the festival and to enable the students to understand the significance of how and why the Sankranthi festival is celebrated. This allowed them to appreciate the traditions associated with it. The Makar Sankranti festival spreads the message to set aside differences and start the new year on a note of hope, love, and togetherness. Makar Sankranti is a festival that heralds a change of season, marking the movement of the sun into the northern hemisphere—a celebration to mark the end of winter. The first festival of the year announces the onset of spring and the harvest season. The female students and faculty were very beautifully dressed up in their traditional attire

and created beautiful rangolis on the college campus. It was a vibrant day with a festive disposition.

CAMPUS RECRUITMENT TRAINING-R8

A training programme termed "R8" was coined by the TRAINING AND PLACEMENT DEPARTMENT on 17.01.2020. It was a programme scheduled for 8 months, hence the name R8. The programme included technical and managerial skill set

education, along with soft skills training and corporate etiquette. Yoga, campus recruitment training, and management games were a part of their daily schedule.

The studnts enjoyed the schedule while playing and learning along the lines. The training and placement department encouraged the students to balance academics and training simultaneously.

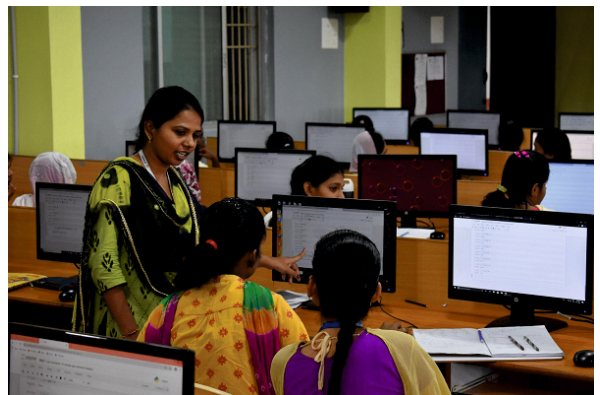

REPUBLICDAY

Celebrations were held on the occasion of REPUBLIC DAY on January 26, 2020. Along with flag hoisting, many performances were showcased that made the students' chests swell with patriotism, and many students also participated in singing the national and patriotic songs in memory of many great patriots and martyrs. It was a beautiful day..

PYTHON WORKSHOP

A three-day workshop on problem solving with Python, phase I, was conducted for second-year B.Tech CSE students from 17.02.2020 to 19.02.2020. It was organised by Ms. Sana Sudha and Mr. GK Raja, hailing from the Apssdc, govt. of Ap. This workshop helped the students learn the basics of writing and learning Python scripts in the shortest possible time compared to other programs.
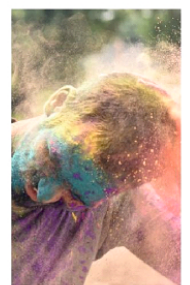

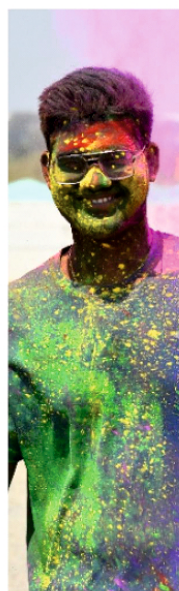

WOMEN'S DAY

A grand event was organised on the occasion of International Women's Day on March 8, 2020 at SVREC. Dr.U.Laxmi Sowjanya MBBS, MD, OBG graced the event and made the event exceptionally motivational and educational. Dr. Sowjanya has imparted much needed information to the girls. Many female students from different branches and batches participated in fancy dress competitions, and many songs and dance performances were showcased. The day was, in a true sense, a women's day.

HOLI FESTIVAL

TSVR Engineering College celebrated Holi on 09.03.2020. The students celebrated Holi at the college campus. With the festival of colors, the students pledged to bury all their differences with each other and stay together as one united family. The students first paid their respects to all the faculty members and then kicked off the event. The event included live Dhol, organic coloring and refreshments. It was a bright and happy day.
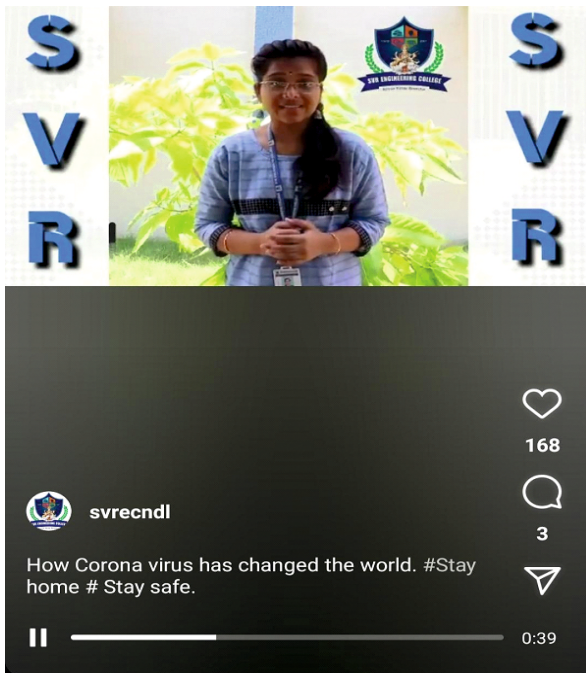

TRADITIONAL DAY

Alt's a day that everyone looks forward to in all colleges. SVR Engineering College celebrated the Traditional Day to promote "Unity in Diversity", which is based on the concept that individual or social differences in physical attributes, skin color, castes, creed, cultural and religious practices, etc., are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich society and the nation as a whole. Traditional Day was held on 14.03.2020 at the college. It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire or specific cultural attire of their choice..

PANDEMIC AWARENESS

An online COVID-19 awareness campaign was conducted on 08.06.2020. A webinar was supervised for all the college students by the college management to educate the students about the adverse repercussions of recklessness regarding hygiene, and they were guided with the set of precautions to be followed and adhered to to limit the spread of viruses. An awareness video was shared with the students and faculty explaining the severity of the situation, which was filmed and edited by college students.

INDEPENDENCE DAY

On August 15, 2020, Independence Day was celebrated in a very humble way amidst the pandemic. The management hoisted the flag and recited the National Anthem to keep the legacy going.

ENGINEERS DAY

Athe Engineering Community across India celebrates Engineers' Day on September 15th every year as a tribute to the greatest Indian Engineer, Mokshagundam Visvesvaraya, popularly known for successfully designing and constructing several river dams and bridges and for revolutionizing the irrigation system in India by implementing irrigation and drinking water systems. SVREC, being an engineering college, took pride in observing Engineers' Day on September 15th. Rich oral tributes were paid to the legend. The respected principal sir and MD sir delivered very inspirational and motivational speeches. The students were apprised of the importance of the day and also reminded about their duties and responsibilities as the young and

promising engineers they would become in the near future.

STUDENTS DAY

The World Students' Day was celebrated at SVR Engineering College on October 15, 2020, the birthday of our former President, Dr. A.P.J. Abdul Kalam. In 2010, the United Nations declared his birthday as World Students' Day because of his love for education, students, and his focus and efforts in promoting education.

The message was delivered by Mr. S. Dinesh Reddy, the managing director of the college, in a meeting presided over by the college principal, Dr. P Mallikarjun Reddy. The students and faculty delivered speeches about our beloved former President, Dr. Kalam.

WHY CHOOSE
SVREC ?

✔ A highly disciplined environment for academic pursuit.
✔ Dedicated and highly motivated team of faculty.
✔ Innovative teaching and learning process.
✔ Effective Proctor system to counsel the Students.
✔ Fully Equipped Laboratories, Workshops, Air Conditioned Seminar Hall.
✔ Wi – Fi enabled campus.
✔ Ragging free campus.
✔ Hostel facility for Girls and Boys in the campus
✔ Special attention on Employable Skills.
✔ NPTEL Local Chapter.
