VISION

To produce Competent Engineering Graduates & Managers with a strong base of Technical & Managerial Knowledge and the Complementary Skills needed to be Successful Professional Engineers & Managers.

MISSION

To fulfill the vision by imparting Quality Technical & Management Education to the Aspiring Students, by creating Effective Teaching/Learning Environment and providing State – of the – Art Infrastructure and Resources.

CORE VALUES

- ★ Commitment to Continual Improvement
- ★ Inclusiveness
- ★ Enhancement of student learning through innovative instructional methods
- ★ Collaboration with industry and other institutions for mutual benefits
- ★ Pursuit of excellence in all activities

From the Managing Director Desk

Dear Readers,

We are passing through a tremendously changing process and our younger generation must be accordingly trained, so that they can address these challenges effectively, timely and meaningfully. We believe in "Resilience in the face of headwinds".

In the new knowledge age, intellectual competitiveness is essential for achieving the status of a leader. For this, quality education, more so with a lot of practical orientation is of paramount importance. Engineering education involves a lot of conceptual approach along with clear fundamentals & coupled with a good practical understanding to deal with real world problems effectively and efficiently. Since its inception, the institute has not only grown in its infrastructure but has also developed a lot in terms of academics and laboratories. A well-balanced curriculum, taught by qualified, skilled, and experienced faculty develops the required skills in students necessary to meet tomorrow's applications. We are in a continuous process of making our laboratories well equipped to meet the demands of the rapidly changing related engineering fields. Best wishes to our students. It's my personal belief that if good quality education is imparted to the students, it is assured that they will get great success in their lives and will be placed in the top firms of the world.

The highly motivated youngsters on the campus are a constant source of our pride.

Mr. S. Dinesh Reddy
B.Tech., MBA (London)

From the Principal Desk

Dear Readers,

New Year - 2022 greetings to all of you!

It gives me an immense pleasure for me to write a message to for this News Letter, INSIGHT.

I am happy to inform you all that we have applied for NBA (National Board of Accreditation). Hope, we will achieve Accreditation for both CSE and ECE departments. SVREC is offering umpteen opportunities to help you achieve your full potential. The college offers many programs to keep you on the road to graduation and professional success. I encourage you to get involved, to participate and take part in the array of opportunities and initiatives hosted by the various cells throughout the year.

My message to readers is never stop learning new things in life. One should be always lifelong learner. The beautiful thing about learning is that no one can take it away from you.

Wishing you all the best in your future endeavors.....

Dr. P. Mallikarjuna Reddy
M.Tech., Ph.D

SANKRANTHI FESTIVAL

Bhogi, Sankranti and Kanuma festival celebrations started on 14.01.2021 with bright colors at SVR Engineering college. From Dakshinayana as the sun is shifting to the north, it is time to harvest. The Pongal festival is the time we are supposed to burn all the old baggage,

Whatever opinions, ideas, and conclusions we may have anything that is negative & useless. Now is the time to drop them off and flower into a beautiful being. It is the time for everyone to Allow a fresh start, and at SVR Engineering college it was definitely a very fun start with Rangoli Competition and the ladies enthusiastically participating in the Competition, indulging in coloring their beautiful designs. ir beautiful designs.

REPUBLICDAY

India marks January 26 as its Republic Day every year. In 2022, the country is celebrating its 72rd Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. The day was celebrated in our university with great eclat. The college building was tastefully decorated with flowerpots and national flags. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

ORIENTATION PROGRAMME

An orientation program was conducted for the fresher's batch of 2020 on 4th Feb, 2021. The chief guest of the event was Dr. D V L N SOMAYAJULU, Director IIITDM Kurnool. The program was inaugurated with the kindling chief guest and the dignitaries. Mr. Somayajulu while delivering a speech, congratulated the students for their choice of college and motivated the students to utilize the resources of the college in developing their technical and managerial skills. He interacted with the students in a very friendly manner.

WOMEN'S DAY

A grand event was organised on the occasion of International Women's Day on March 8, 2021 at SVREC. On this occasion, there were various events of celebrations and deliberations performed by the students of the college. Students, too, shared their views on women empowerment and ongoing scenarios. A cultural show was carried out which emphasized the role of women in the society. The Program was concluded by proposing the vote of thanks by Mrs. Lavanya from English Dept.

ENGLISH LANGUAGE DAY

SVR Engineering College celebrated International English Day on the 23rd of April 2021 which is traditionally observed as the birth and death anniversary of William Shakespeare. The celebration aimed to entertain as well as inform, with the goal of increasing awareness and respect for the history and culture of the English Language and the achievements of the innumerable writers, poets and playwrights.

There were many activities, workshops and quizzes throughout the day which were educational as well as interesting. Various activities like Pictorial Idioms, Crosswords, Quizzes and Dialogue Writing were conducted by the English Dept. It was a great learning experience as they discussed communication and the importance of syntax and

understanding. It was an immensely eventful day.

WORLD ENVIRONMENT

5th, June 2021, the college organized an awareness program on the occasion of World Environment Day. All the students and faculty members have participated with full energy in this program.

Our Principal and MD Sir were also present at the program. The objective of this program was to spread awareness among people about saving our environment from various types of pollution and to plant more and more trees to make our mother earth full of greenery.

INDEPENDENCE DAY

Independence Day was celebrated at SVR Engineering college with great fervor. On this

patriotic occasion, a special assembly was held where the students showcased a colorful spectacle of India's vision through their performances. They presented their views in honor of their motherland and sacrifices made by our great freedom fighters. A beautiful rendition from students transcended the ambience.

The celebration ended with the National Anthem with vocal accompaniment by the students. It was a beautiful and overwhelming moment in a prideful way.

ENGINEER'S DAY

On September 15th 2021, Engineer's Day program was organized for all the B. Tech students to commemorate Sri Mokshagundam Vishweshwaraiah A's birthday. It's an occasion for all the students to recollect his life and inculcate values from his experiences. Principal, Dr.P. Mallikarjun Reddy, Managing Director Mr. S. Dinesh Reddy, all the Heads of the Departments, faculty and students were participants of the program. The program started with lighting of the lamp by the dignitaries and God's presence was invoked amidst us through a prayer song by the students. MD, Mr. Dinesh Reddy highlighted the importance of the day through his short and simple speech. Audience was enlightened by the

inspirational words of the Principal, Heads of the Department and faculty

TRAINING IN INTERVIEW SKILLS (COMMUNICATION)

For students, it is very important to build the skills that are necessary to face interviews. Most of the time, it is not just about what are your grades or percentages in your academics or how

strong you are on the technical front. Percentages may help your resume get shortlisted by a selection panel and technical skill assessment is part of the overall interview process. Having knowledge is one side of the coin and presenting it when it is required is another side of the coin.

This workshop conducted from 10.10.2021 to 17.10.2021 was designed to make the students aware of the patterns the interviewer usually follows during the interview and the candidate selection process followed in common by companies. Individual and group role plays, random mock interviews, assessments, presentation records included to keep the workshop was very interactive and practice oriented.

STUDENT'S DAY

World Students' Day was celebrated on 15.10.2021, the birthday of our Former President Dr A.P.J. Abdul Kalam at SVR Engineering College. The message was delivered by S. Dinesh Reddy, the Managing Director of the college in a meeting presided by the College Principal Dr. P. Mallikarjun Reddy. The students had a union near the statue of Dr. Kalam in the college campus and remembered his words and pledged to follow his ideals.

TRAINING IN INTERVIEW SKILLS (TECHNICAL)

A three day "Technical skills for the Interviews" workshop was conducted for the students from 15.10.2021 to 17.10.2021 by Mr. P. Prathap Reddy, TCS Technical Round Panelist, Bangalore. The objective of this workshop was to make the students industry ready by improving their technical skills. Providing students with an overview of the opted technical workshop, will help students to apply the technology in their projects and in the real world. Imparting intensive technical knowledge in a short amount of time and helping the students understand what methods and applications the industry works on. It was a very educational workshop for our aspiring students.

INDUSTRY EXPECTATIONS FOR FRESHERS

An interactive session was held on "Industry Expectations from Freshers"- (2019-2023) batch was organized by the CDC Department on 8th Nov, 2021. Mr. P. Prathap Reddy addressed the students on this topic. The speaker was very friendly and enthusiastic. The session started off with a brief discussion about the COVID-19 pandemic and its effect on various industries and the country's economy etc. Shortly, Mr. Reddy discussed the different aspects like present-day landscape, academic expectations, interview expectations, and job expectations. Through this session the students were made aware of the basic academic skills, interview expectations, and job requirements in order to have a successful career. And thus, the session concluded with a questionnaire for about 20 minutes.

HEALTH AWARENESS PROGRAMME FOR FEMALE STUDENTS.

A Health Awareness programme on PCOS in Adolescent was conducted on 17.11.2021 by the WOMEN EMPOWERMENT CELL. Dr. A. Aruna kumari, (MBBS, D.G.O, FAGE) from Neravati hospital, Nandyal had addressed the gathering.

She explained the prevalent problem of PCOS in the adult women in our country and also reassured that there is nothing that cannot be cured with proper health care measures. Dr. Kumari also debunked the myths of infertility around PCOS and encouraged the students to follow a healthy lifestyle amidst this stressful and competitive phase of life.

DBMS WORKSHOP

A two day workshop for DBMS was conducted from 11.12.2021 to 12.12.2021 for the students of all branches. Mr. Bala Konda Reddy was the guest trainer who left a very impactful impression on the students with his friendly and interactive teaching style, "DataBase Management System" is taught to computer science and information technology and students in the engineering of all fields. Databases are used not only in the computer and information technology department but in all other industries too. Mr. Reddy covered a number of topics like DDL, DML, DCL Etc.; The workshop concluded with a Q&A session which helped the students to clear their doubts and queries

SPIRITUAL AWAKENING THROUGH MEDITATION

An enlightening session was organized for the First year students by the humanities and science department on 17.12.2021. Ms. Prajapita Brahmakumari Hari Priya from Eshwarayya Vishwa Vidyala, Nandyal was invited to address the gathering and educate them on the basics of life and spirituality. Having control over the senses and having the proper and needed behavior are the key aspects of the session. The art of improving concentration through meditation was explained to the students and they were made to meditate briefly.
